Dear Parents and Carers,

I am pleased to share with you the outcome of our recent Ofsted inspection, which took place on the 10th and 11th of July 2024. The inspection confirmed that Disley Primary School continues to be a **good** school, and I would like to take this opportunity to celebrate the positive feedback and commendations we received.

The report highlights many wonderful achievements of our school community. It praises the nurturing and supportive environment we have cultivated, where pupils flourish, feel happy, and are eager to learn. The inspector noted the politeness, enthusiasm, and friendliness of our pupils, as well as their pride in the school and eagerness to help others. We are also thrilled that our broad curriculum was recognised for enriching pupils' learning experiences in and beyond the classroom.

Ofsted acknowledged the school's high aspirations for all our pupils. We are proud that the inspector observed our strong commitment to fostering a love of reading among pupils, from the early years to Year 6, and noted the various initiatives in place to promote this, such as the reading ambassadors and book swap café.

The report also highlighted an area where we can improve: ensuring higher expectations for pupils' written work, specifically regarding the consistent application of correct spelling and appropriate letter formation. We recognise this feedback as an opportunity to grow and are already implementing swift and effective actions to address this, so that all pupils can achieve their full potential across every subject.

I want to assure you that we are committed to maintaining and building on the high standards that Ofsted has recognised. We will continue to strive for excellence in every aspect of school life and ensure that our pupils receive the best possible education in a happy, caring, and inclusive environment.

Thank you for your continued support and partnership.

Kind regards,

Jake Nicklin
