Each week we will provide each phonics group with a link to the Monster Phonics website. This could link to a video, an activity or a set of flashcards to practise at home if you wish. This work will be linked to the learning that is happening in school that week. We will post our links on a Friday for the following week. You will be able to find these links on the class page of the website. You can also feel free to use and explore the site at your leisure.

See below for the links to some phonics work linked to your child's learning for Week Commencing 19.4.22

Kind Regards,

Key Stage 1 Team

**Please note, to follow the links, you may need to log into the website first and then copy and paste the link into the web browser.**
